**St. Andrew-St. Elizabeth Ann Seton
Catholic School!**
**2018 National Blue Ribbon
Exemplary High Performing School**

- Considered the highest honor a public or nonpublic school can achieve!
- One of only 3 nonpublic schools in Ohio to be honored this year.
- One of only 49 nonpublic schools in the entire country to be honored this year.
- Less than 10% of Ohio schools (443 out of 4,600+) have received the award since 1982.
- To qualify, SASEAS math and reading scores had to be in the top 15% nationally.
- A 25 page application detailed the school's curriculum, instruction, assessments, and community.
- The Council for American Private Education nominated SASEAS to the United States Department of Education for the final evaluation.
