

Covenant of Love with the Sacred Heart of Jesus

Lord Jesus, through your Sacred Heart you show us how you burn with love for us. You desire dominion over our hearts and homes and with this prayer

**I proclaim
your absolute Kingship
over my life and home.**

Give me the grace to live your life:

a life of virtue and simplicity.

Keep me far from any sinful parts of this world. I invite you to rule my mind by granting me the grace of sincerity of faith.

Rule over my heart by giving me the grace to have ardent love for you alone, and give me the strength to keep this fire of love burning in my heart through the reception of the Holy Eucharist, regular Confession and reading Sacred Scripture.

Please Divine Heart, guide and bless my every undertaking, ward off all dangers, sanctify my joys and lighten my suffering. If I should sin, remind me quickly, O Sacred Heart, that you are full of goodness and mercy.

Glory to the Heart of Jesus, my personal King and Friend. Amen
